Summary

Computer Science student with hands-on experience in full-stack development and AI applications. Proficient in building scalable web tools, designing intuitive user interfaces, and integrating cutting-edge technologies like Whisper and Gemini for real-time transcription and summarization. Passionate about solving real-world problems using modern web and AI tools.

Skills

Languages: Java, Python, HTML, CSS, JavaScript, React, React Native

Version Control: Git and Github

Database: MySQL

AI Tools: OpenAI API, Google Gemini, Whisper.

Soft skills: Strong communication and teamwork skills, Willingness to learn and adapt to new technologies, Time management and ability to meet deadlines.

Work Experience

Full Stack Intern - CREK ODR

Jun 05 – Aug 05, 2025

- Built a complete legal dispute classification tool using Angular + Flask backend.
- Designed and developed REST APIs to classify legal case types using Gemini and OpenAI models.
- Integrated Git version control, responsive UI components, and modular architecture.

Projects

Clinical Note AI Assistant

- Built a bilingual AI assistant that listens to doctor–patient conversations and generates SOAP-format clinical summaries.
- Integrated Whisper for transcription and Gemini API for real-time medical summarization.
- UI built using React, backend with Flask and Python.

Legal Drafting AI Tool

- Created an AI assistant for drafting legal documents based on user input.
- Used OpenAI API and Gemini for smart text generation and classification.
- Focused on UX and prompt engineering to produce accurate outputs.

Android Notification App

- Developed an Android app integrated with Firebase Cloud Messaging for real-time notifications.
- Implemented token management and dynamic payload handling for multiple devices.
- Enhanced user engagement with actionable notifications and smooth background delivery.

UI Design System

- Designed and coded reusable UI components using AI.
- Built a responsive design system reused across multiple projects, including the AI assistant.

Education

AVIT, Chennai
B.E in Computer Science and Engineering

Sep 2023 - May 2027
